Summary

Amazing times and personal improvements posted yesterday, well done to all the competitors who rode. I hope he doesn't mind me singling him out but Paul Jones recorded his first 49 after twenty-five years of time trialling. That is really something isn't it! I forgot to mention them on the day but once again thanks to all the marshals and especially the time keepers. Phil Cushway stepped in at the very last moment and it's much appreciated.
